

PNG

The diagram illustrates the structure of a PNG file. At the top, a horizontal bar labeled 'PNG' spans the entire width. Below this bar, a row of four orange rectangular blocks is shown, each containing a hexadecimal value: '0x00', '0x01', '0x02', and '0x03'. Below the first two blocks, a bracket labeled 'Chunk 1' is shown. Below the last two blocks, a bracket labeled 'Chunk 5' is shown. Below 'Chunk 1', a bracket labeled 'Chunk 2' is shown. Below 'Chunk 2', a bracket labeled 'Chunk 3' is shown. Below 'Chunk 3', a bracket labeled 'Chunk 4' is shown. The brackets are arranged in a descending staircase pattern from left to right.
